

Collection Statement

This Collection Statement is a requirement of the Australian Privacy Policy Act (APP) and contains details about how Adaps BTranse Pty Ltd and its related entities and associates (we, us, our) may collect, hold, use and disclose personal information of the stakeholders.

Stakeholders can find out more about how Adaps may deal with stakeholders' privacy by viewing Adaps Personal Data Collection and Privacy Management Policy in our website under Privacy Policy.

If more information is required or the Privacy Policy access is required in another form then, the stakeholders can contact Adaps by using the contact available in this statement in the last page of the statement.

Adaps BTranse Pty Ltd is an APP entity for the purposes of the Privacy Act 1988 (Cth). Adaps BTranse Pty Ltd is bound by the Australian Privacy Principles (APPs) and any related privacy codes. Adaps contact details are set out in this statement in the last page of the statement.

Stakeholder Consent

By ticking "I have read and understand the Collection Statement", stakeholder confirms that they have read and understood this Collection Statement.

How we collect and hold personal information

Adaps Btranse may collect personal information about stakeholders from time to time and may have already collected personal information about stakeholders in the past. The kind of information that Adaps collects are as detailed in Adaps Data Collection & Privacy Management policy. Usually we Adaps BTranse obtains stakeholders personal information directly from them, however, Adaps BTranse may also collect personal information through third parties as reasonably necessary about its business functions and activities.

Adaps BTranse may collect personal information about stakeholders from time to time without they are being aware that Adaps BTranse has done so. Adaps BTranse may collect personal information about stakeholders from time to time without you being aware that Adaps BTranse has done so (e.g. via cookies on your web browser to analyze trend data).

If stakeholders do not provide us with their personal information then Adaps BTranse may be unable to provide them with the products and/or services, that the stakeholders require or continue our relationship with them.

Purposes for collecting personal information and who Adaps BTranse discloses to

The personal information that Adaps BTranse collects is used for the following purposes and other purposes as detailed in Adaps BTranse Personal Data Collection and Privacy Management Policy:

- to personalize Adaps BTranse communications with its stakeholders;
- to sell and promote Adaps BTranse products and services to existing Customers, future Customers, Law enforcement agencies, Statutory Authorities and any other relevant people, entities with whom Adaps BTranse has business association;
- to provide or arrange for staffing and talent provisioning services to its current and future Customers
- to provide a better service communication to stakeholders themselves
- to assist in investigating complaints, feedback and inquiries; and
- for other purposes which are reasonably necessary in connection with Adaps BTranse normal functions and activities.

We may disclose stakeholder's personal information to the following kinds of entities:

- Contractors, Consultants, advisers, associates and related entities;
- the owners or operators of any app or platform that stakeholders may have subscribed for through Adaps BTranse;
- entities that provide services to Adaps BTranse;
- any industry body, tribunal, court or otherwise about any complaint made by stakeholders about Adaps BTranse;
- and other entities with stakeholders' consent or as permitted or required by law.

How stakeholders may access or seek correction of their personal information or make a complaint

Adaps BTranse privacy policy contains details of how stakeholders may access personal information Adaps BTranse holds about stakeholders, seek the correction of such information and make a complaint against Adaps BTranse if stakeholders are of the view that Adaps BTranse may have breached any of the APPs or

any related privacy code in dealing with your personal information. It also contains details of how Adaps BTranse deals with a complaint made by stakeholders
